

# SPACE GUARDIANS

## A project for children, teachers, parents and for all that hold an interest in Astronomy education

**SPACE GUARDIANS** is a project promoted by 5 organisations belonging to 4 different European countries and co-funded by the Erasmus+ Programme.

The project's main goal is to create an interactive learning eBook for the Astronomy education of pre-school children (3 to 6 years old) - **SPACE GUARDIANS** eBook - that will be made freely available Europe wide.

If you need a bit of information on the project idea, you can visit the **SPACE GUARDIANS** website [here](#) and our Facebook page [here](#).

### ABOUT ASTRONOMY EDUCATION

The **SPACE GUARDIANS** project team run an initial research in order to identify classroom needs versus the current curriculum guidelines of each partner's' country. The result of this research is available in the **SPACE GUARDIANS** website [here](#)

### MEET THE PROJECT TEAM

The **SPACE GUARDIANS** consortium is composed by 5 European organisations with expertise in Astronomy, ICT, Games based learning, Illustration and Pre-school education.

Visit the **SPACE GUARDIANS**

### GET INSPIRED!

Explore what **NASA** and **ESA** are promoting for Astronomy education throughout the world! And use free resources to start teaching Astronomy!

**Click on the images!**

and will guide the next steps of the project - to design the storyboard and the interactive features for the eBook.
