

SPACE GUARDIANS

A project for children, teachers, parents and for all that hold an interest in Astronomy education

THE MOON HAS BEEN STOLEN!

Dear Space Guardians,

We have a problem! The Moon has been stolen...!

Rita is the leader of the Space Guardians and needs your help to find the Moon. Your mission, if you accept it, is to **paint/colour in our drawing of Rita searching for the Moon in the sky**.

The contest starts on the 20th of March, day of the Spring equinox, when the day and night have exactly the same duration. You have until the next Full Moon (the 19th of April) to complete your painting and send it. A jury will evaluate all paintings received and the best one will receive a prize.

Teachers/Parents: To send the pictures, please make clear what the child's name and age are, as well as which country you are sending from through the following [webform: https://spaceguardians.eu/competition-time](https://spaceguardians.eu/competition-time)

We will automatically email you back a Space Guardians badge to give out and the kids will be put into the prize draw!

... AND GOOD LUCK SPACE GUARDIANS!

**SPACE
GUARDIANS**

**Follow the next SPACE GUARDIANS
activities & news to make part of this
space mission on Astronomy
education!**
